MULTIDISCIPLINARY DESIGNER

210-907-5833 · garzaa1217@gmail.com · Austin, TX · jonathongarza.com

SUMMARY

Creative and strategic multidisciplinary designer with 8+ years of experience crafting impactful brand experiences through visual design, motion, and storytelling.

EXPERIENCE

Visa — Senior Visual Designer — 2025–Present

- Lead AI design technology for the team, piloting tools and setting how the org uses them.
- Own prototypes, motion, and video, and build AI tools that automate that work.
- Build design pipelines and ship internal applications with Claude Code that the org uses now.

AWS — Motion Designer / Art Director — Nov 2021–Nov 2025 | Seattle, WA

- Produced motion and video for training, enablement, localization, and cloud/AI stories.
- Created animated explainers used globally.
- Collaborated with instructional designers, producers, and subject-matter experts.
- Kept visual consistency and accessibility with AWS and Amazon brand.
